FIG. 1

10/524681

2/4

Prion disease model

"Q-factor" is present in human blood serum

FIG. 2

10/524681

3/4

Prion disease model

RQ11+12 in the presence of "Q-factor" from blood serum chaperones PrP resistance to proteinase K

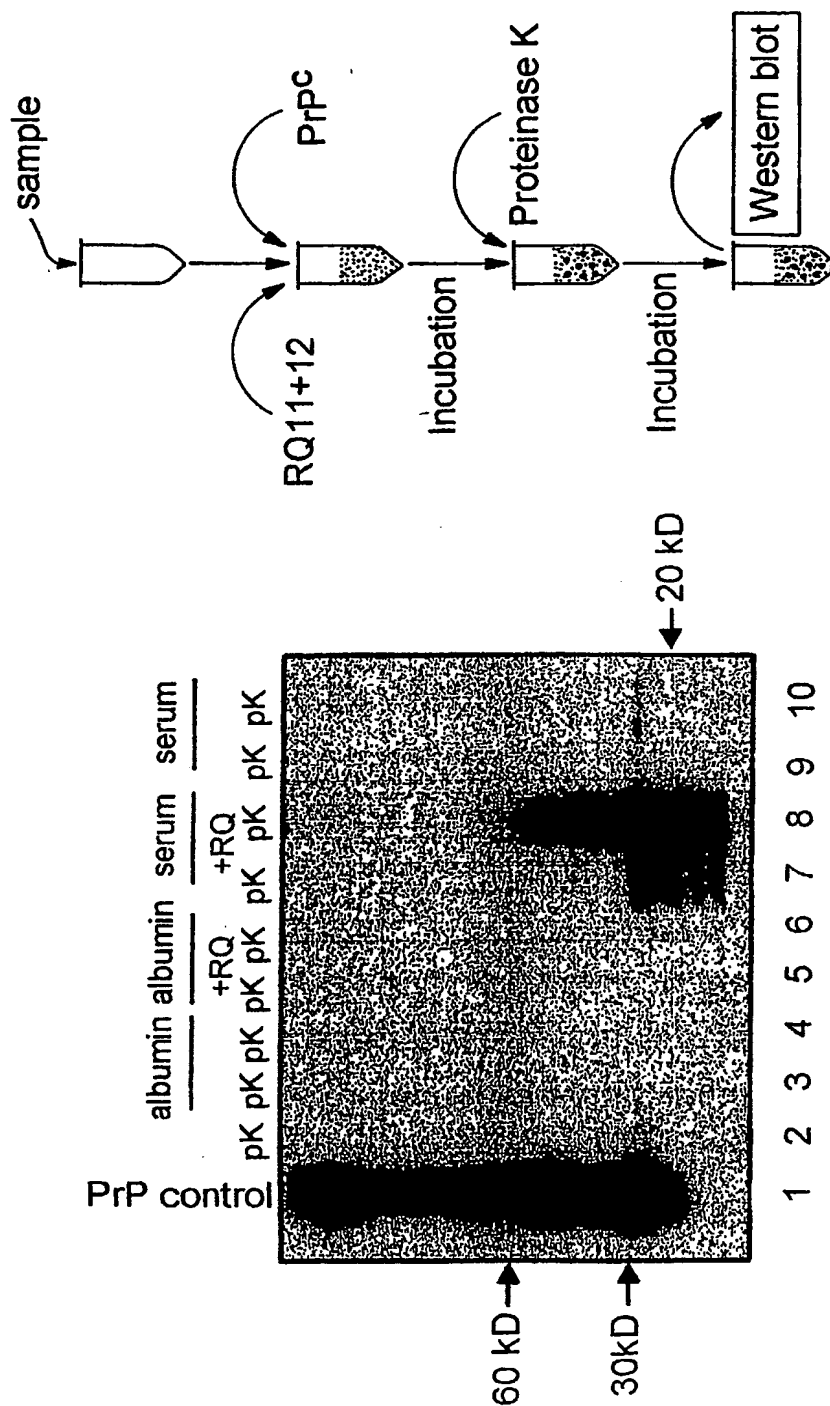

FIG. 3

FIG. 4
